2252	Sixth House Monastery	Houses	MMH	44-14531	-273	2012-07-25	This is my first mod and I have made this because I wanted all of the Sixth House things together in an interior cell, so I made this mod and thought to upload it and see what people think of it. It includes a monastery dedicated to the Sixth House or House Dagoth as they call it. It is loc...
