Darkstone Manor	Houses	http://mw.modhistory.com/download-44-8839	A. Bauer	2003-05-15 00:00:00	Is your Mage tired of living in a mushroom house? Then try this one...creates a Manor with a dark gothic feel to it, suitable for all you evil mages out there! All the room and storage you'll ever need and some nice inovations I hope you'll like. Full readme is ...
Thieve's Den	Houses	http://mw.modhistory.com/download-44-8942	A. Bauer	2003-06-25 00:00:00	A condemned house is next to the cornerclub in Balmora . When you complete Sugarlip's quests you will receive a ring which will allow you to enter the Thieves' Den. The Den includes: a Thieves Market with 3 different black market merchant NPC's to sell stuff..
Castle Shadowguard	Cheats	http://mw.modhistory.com/download-18-8835	A. Bauer	2003-05-07 00:00:00	This plug-in recreates the home of my favorite thief-type character by Roger Zelazny: Jack of Shadow's, Castle Shadowguard. Lots of room and storage for your character, barter NPCs, transportation NPC in Seyda Neen..See readme for complete info.
