AJKiller23s Stoves etc	Models and textures	http://mw.modhistory.com/download-56-8753	AJKiller23	2005-07-27 00:00:00	This mod is based off of a request for a redone Dwemer stove and a closet. The closet was requested to be done in a brushed wood style using the textures for kwshipman's Brushed Furniture resource pack (pack is included but the originals are not added to the mod, yo...
AJKiller23's Sword and Spear V .01	Weapons	http://mw.modhistory.com/download-98-5415	AJKiller23	2009-05-12 12:01:58	What is contained in this mod is a plugin for my first two weapons and the files to go along with them. The two weapons are a sword and a spear, with the sword being a slightly modified version of the stock broadsword mesh. I believe the textures are stock; I may have colorized one for...
