| Feminine Body v1.1       | Bodies           | <a href="http://mw.modhistory.com/download-10-3121">http://mw.modhistory.com/download-10-3121</a>   | Adam   | 2009-05-12 09:37:58 | No, this isn't porn! We just don't like the default ugly tube top and brown diaper that the ladies come with, so here is something more fashionable; notice the black textured lingerie and softened skin textures. Only the "human" races have been changed, not the Khajiit or Argonian.                   |
| NoLore Solstheim         | Bugfixes         | <a href="http://mw.modhistory.com/download-13-9086">http://mw.modhistory.com/download-13-9086</a>   | Adam   | 2004-01-28 00:00:00 | This mod fixes the minor error wherein the dialogue topic "Solstheim" still appears in the dialogue options of NPC's with the "nolore" script. Hardly a masterpiece of MW scripting, but if that slight glitch annoys you as much as it did me, you'll probably like this mod.                               |
