Description	This is a compatibility patch for Adul's Portable Library Mod ( <a href="http://www.adul.net/index.php?p=dl_mwmods_library_portable">url=http://www.adul.net/index.php?p=dl_mwmods_library_portable</a> Link[/url] ) so it uses the meshes and textures from Book Jackets. You'll need meshes/textures from Book Jackets and Portable Library to make this work, jus...
