9074	Sesshomaru Face	Models and Textures	MMH	56-9356	Adamelo	2005-05-29	Adds Sesshomaru (from the anime show Inuyasha) as a WoodElf. Sesshomaru is a playable head (no hair). I recommend using [url=mod.asp?modid=4556[/img]Andy! Elf Hair Styles[/url] by Andy!, for hair.
