Name	Leveled List Resequencer for TESTool
Category	Bugfixes
Site	MMH
Link	13-9755
Author	Aerelorn
Date	2004-08-31
Description	This utility fixes a bug in TESTool v1.3 by ghostwheel. As discovered by tru021 and later researched extensively by DinkumThinkum, when TESTool merges leveled lists it appends the lists one after another instead of sorting them all together by level. The result is that...
