The Ghost	Birthsigns	http://mw.modhistory.com/download-8-8858	Afrodeeziak87	2003-05-28 00:00:00	Adds a new birthsign and class called The Ghost...pretty much my favorite attributes and skills put together so i dont have to customize anything ever again. See readme for info Note: There is no real birthsign constellation image. I simply included an old one an ...
