Vampire Robe	Cheats	http://mw.modhistory.com/download-18-11383	Alkrodion	2007-07-16 00:00:00	Adds a robe which covers your body in shade making you hard to see. The result is that you arent hit by light and not seen as a vampire. In other words you aren't effected by sun damage and people dont see you as a vampire. If you want them to see you as a vampire you must remove the robe. ...
