| 11956 | Amael's DIY<br>Particle FX               | Resources              | ММН  | 55-5959  | Amael  | 2011-10-24 | This is a resource pack for modders containing six "Do It Yourself" particle effect meshes that can be customised by graphically editing their textures. The meshes have multiple uses from static effects to character equipable items.  |
| 11955 | Amael's DIY<br>Particle FX<br>Previewer  | Resources              | ММН  | 55-5960  | Amael  | 2011-10-24 | This is a utility mod that will allow you to quickly preview changes made to Amael's DIY Particle FX in TESCS- it is only intended to be a tool and has no playable elements.   |
| 11954 | Amael's<br>Experimental<br>Particle FX   | Resources              | ММН  | 55-5961  | Amael  | 2011-10-24 | This is a showcase mod that demonstrates some old and new particle effects- it is only intended to be a reference tool for modders and has no playable elements other than a showcase style room.   |
| 11953 | Amael's DIY<br>Particle FX Usage<br>Demo | Resources              | ММН  | 55-5962  | Amael  | 2011-10-24 | This is a demonstration mod containing example Morrowind items that use Amael's DIY Particle FX- it is only intended to be a reference tool for modders and has no playable elements other than a modified demonstration version of Seyda Neen.   |
| 11952 | Amael's Particle<br>FX V2                | Resources              | ММН  | 55-5963  | Amael  | 2011-10-24 | This is an updated version of Amael's Particle FX and will add elemental particle effects (fire, ice, earth, water, light, dark) to your Morrowind character. The effects are purely visual and have no affect on gameplay what so ever. Improvements in V2 are minor and include: ,Use of th |
| 8297  | Amael's Particle<br>FX                   | Models and<br>Textures | ММН  | 56-12597 | Amael  | 2008-03-15 | NOTE: This file was uploaded here by me, Eisenfaust. This file was practically an "orphan" in terms of a site to host it, so I have chosen to share this file with the PES community who will potentially have use for it. (Start of Readme) ******   |
