4977	A place to stay	Cheats	MMH	18-7391	Anthony Coleman	2002-05-29	<p>A place to stay is what it says, a place to stay (stash your findings or stolen goods, and rest). Mysl, a smith type person, has 10k gold, and a bunch of random junk for barter window. Jade is a Publican who has a bunch of drinks and ingredients / food of sorts with only 900 gold.</p> <p>Upstairs is where you can put all your stuff, and in the room with the bed, there is 2 appropriately named containers.. the Dresser and Closet of Incapacity.. can hold up to 900,000 weight for your stuff. It is located between the 2 bridges, near a rock, and the river, on the south side of Balmora (as a trap door to get in). Enjoy your stay!</p>
