9516	Morrowind Script Extender (MWSE) v0.94a	MWE, MWSE, MGE	MMH	63-12394	AnthonyG, Fliggerty	2013-04-06	The Morrowind Script Extender is a program designed to increase the features available to Morrowind scripters. When run with the game, it adds extra script functions, allowing the creation of plugins that are impossible or at least very difficult while running the game alone. This vers...
