11552	Spell Cast Reduction v3.1	Tweaks	MMH	90-6251	Aragon	2009-08-25	null
11551	Spell Cast Reduction	Tweaks	MMH	90-13629	Aragon	2009-08-25	This mod reduces the casting cost of a spell based on your skill level in the corresponding magic school (destruction, mysticism, etc). It allows you to develop your mages more satisfactory at higher levels. The spell costs will not be lower in the spell men...
11479	Procyon	Tweaks	MMH	90-13684	Aragon	2009-09-22	The mage guild trainer Procyon Nigilius (in Sadrith Mora) now trains security and mercantile instead of destruction and alteration. When using Wakim's game improvements, it is impossible to train security or mercantile unless you join a guild of dubious moral. However, intelligence is only govern...
11385	Monk Unarmored Mod	Tweaks	MMH	90-13435	Aragon	2009-05-24	This mod balances hand-to-hand and unarmored combat, making it more fun to play a monk-like character. See [b]Changelog:[/b]v1.1: Cleaned for unintentionally modified GMST values. v1.0: Initial version.
11358	Magicka Regenerate v2.0	Tweaks	MMH	90-13632	Aragon	2009-08-29	null
11206	Faster	Tweaks	MMH	90-13682	Aragon	2009-09-22	Increases walking and running speed of yourself and NPC's by one quarter. I personally like this mod since the running speed in Morrowind is painfully slow. It is still a balanced mod since all NPC's are also faster. Since the speed increase is fairly low, the plugin still encourages you to work ...
11150	Denstagmer	Tweaks	MMH	90-13683	Aragon	2009-09-22	Balances Denstagmer's ring with the Cuirass of the Savior's Hide. Replaces 30% shock resistance with 30% magicka resistance on Denstagmer's ring, while lowering the 60% magicka resistance of the Cuirass to 30% and adding a 30% shock resistance. This makes the game somewhat more balanced since you...

Makes unarmored a much more powerful skill by adding a sanctuary bonus. This mod is for wizards, monks, thieves, and Conan-style fighters. It tries to balance the una...

6996	Dodge-v21	Gameplay	MMH	37-224	Aragon	2009-04-06	This mod is for wizards, monks, thieves, and Conan-style fighters. It tries to balance the unarmored skill against the armored skills. Right now, the maximal AR you can get with unarmored is about 65. Furthermore, you have less enchantment slots without armor. The only advantage is that you don&#...
5844	Wizard Clothes v1.2	Clothing	MMH	21-468	Aragon	2009-04-06	This mod adds wizards clothes to Milie Hastien's fine clothier shop in Balmora. These clothes have higher enchantment values than normal. This mod is meant for unarmored monks and mages -- I consider it cheating to use these robes for heavily armored heroes. Revisions: 1.2: A...
5843	Wizard Clothes	Clothing	MMH	21-13627	Aragon	2009-08-25	This mod adds wizard clothes to the shop of the fine clothier Milie Hastien in Balmora. These clothes have a higher enchantment rating than normal. This mod is meant especially for unarmored heroes, one could consider it cheating to use this mod together with a heavily armored hero. ...

With a monk, I mean a hero that relies almost entirely on unarmored and hand-to-hand skill for protection and combat. Morrowind is a fantastic game for role-playing, with a great choice on how to play your chara...

A minimal version: adds the Eltmer as new race, but uses the standard high elf faces and hair styles The Eltmer, or Elder Elves, are closely related to the High Elves and have the same build and appearance, but have brighter eyes. It is even rumored that the Eltmer a...
3427	The Eltmer	Races	MMH	70-13628	Aragon	2009-08-25	The Eltmer (or Elder Elves) are a new race of Elves for Morrowind. They are especially good for playing mages or diplomats. The plugin is pure and balanced -- the Eltmer are about as strong as the other races and are closely related to the High Elves. Their are two versio...
2381	Tel Magus v1.0	Houses	MMH	44-3592	Aragon	2009-05-12	Telvanni style tower that is great for mages and fighters alike! On the one hand, it is a grand house with an indoor waterfall and a tree spanning over four floors, but at the same time it has a cozy and rustic atmosphere. I tried hard to make this a realistic and practical house, with quick acce...
