Friendly 2 Werewolves	Miscellaneous	http://mw.modhistory.com/download-53-10234	Aragorthen Gonderi	2005-11-14 00:00:00	Ever hated how NPCs will chase you from Balmora to Caldera just for being a werewolf? Ever wanted people to not even notice you even though you are hairy, flee ridden and eating their wife? I did, so I made this mod. It is a simple mod, it edits two GMSTs, the werewolf ...
His Hands	Models and textures	http://mw.modhistory.com/download-56-10128	Aragorthen Gonderi	2005-09-07 00:00:00	It always bothered me that Vivec had no guards. Almalexia had Her Hands and Sotha Sil had his Imperfect but what did Vivec have? Nothing. This adds 5 guards to the Palace Of Vivec, they all have powerful Armor and a Retextured Daedric LongSword with a powerful en...
