1252	Grazelands Hermitage	Houses	MMH	44-11546	Archmagister Gesar	2007-09-22	This mod, which happens to be my first mod, adds a simple little bachelor home to the Grazelands Region. To figure out where it's located at, look at the map I provided within the 7Zip file. :) The house itself is a retextured version of Dongle's Shinto Shrine mesh. ...
