Artien's Vivec Basement Apartment	Houses	http://mw.modhistory.com/download-44-13828	Artien	2010-01-27 00:00:00	So I made this house using DragonSong's room tutorial... it contains a kitchen/storerroom, living/dining room/study combo and a bedroom. The unique thing about this mod is that it inhabits a basement below Alusaron the armorer's shop, and can be entered either through there or a cheeky window I in...
