11031	Athanos Realism	Tweaks	MMH	90-8333	Athanasios Chalas	2005-12-05	This is a realism mod that affects speed, hold breath time,drowning damage, minimum fall distance and encumbrance penalties. I want to believe that it is balanced and realistic. The Readme has more details. Each aspect of the mod has its own esp so that you can choose what you like...
