11138	Dark Brotherhood Delay - Murderous Dreams	Tweaks	MMH	90-13132	Avelon	2008-12-31	This is a simple mod that delays the Dark Brotherhood attacks (i.e. start of the Tribunal questline) until one of a few conditions is met. Additionally, it will provide you with several new messages upon waking up, because honestly - not EVERY assassin out there is a klutz who can't avoid knockin...
