11730	Btb's Better Music System Soundtrack	Resources	MMH	55-15318	BtB	2015-01-20	There are three main differences between the original Better Music System mod and my edited version of it. The first is that, once the game loads, nothing is customizable (and if you don't know how to read and write code, nothing is), and the mod itself has been stripped down to it...

10351	Area Effect Projectiles	Weapons	MMH	98-14181	BTB	2010-12-25	This is an edited version of Bethesda's official "AreaEffectArrows" plugin that gives the same treatment to it that my "BTB's Game Improvements" mod gave to the rest of the game. I've also renamed my version to "Area Effect Projectiles" both to avoid confusion and to make fun of Bethesda for thin...
