9877	Eomethia	Quests	MMH	68-10734	Battlemaster Chris	2006-08-10	This mod adds the continent of Eomethia to the game. You will not be able to find it on the ingame map. Ive tried. it is still a beta and feel free to update it yourselves as long as you give me credit because I will not update it myself. Otherwise have fun! Submitted by...
