| 405 | Aradas | Houses | MMH | 44-6416 | Bessarion | 2010-03-11 | Deep beneath Sadrith Mora, a lost Velothi tower lies buried. For the aspiring mage who can gain access to it, Aradas makes an eminently appropriate home. At least in this version, Aradas is small by the standard of most house mods. About a third of the tower is filled wit... |
