Bloodlust's Ingredient Jars	Alchemical	<a href="http://mw.modhistory.com/download-1-2344">http://mw.modhistory.com/download-1-2344</a>	Bloodlust	2009-04-24 17:07:00	This plugin only adds jars that are containers to the Construction Set for modders to place into their plugins. They are conveniently ordered by ID tag in the container tab so that they are on the top of the list and in order alphabetically by name of the Ingredient.
