8948	New Werewolf Textures	Models and Textures	MMH	56-5543	Brett "Cryonaut" Saltzer	2010-10-23	This is just a simple texture replacer for the Bloodmoon werewolf skins. I had a dream one night about werewolves and I wanted to make the werewolves in Bloodmoon match the color of the werewolves in my dream, so here we go. It replaces them with a higher-resolution, sharper texture, and also cha...
