9300	Vality's Ascadian Isles tree replacer for land distance	Models and Textures	MMH	56-13922	Caesum	2010-04-17	This trees replacer gives possibility to enjoy lovely Vality's Ascadian Isle Mod with distance land from MGE. This is only a "trick" to make Vality's trees look better in distance land. You should check readme if you want to install it correctly.
