Extra High Resolution Female Textures for Better Bodies v1.0	Models and textures	http://mw.modhistory.com/download-56-14637	Cappucine, Westly	2013-04-18 13:22:58	This mod is a texture replacer for the mod Better Bodies which developed from a desire by Cappucine to make body textures for the females from high resolution photographs for a more photorealistic aesthetic. Due to some other obligations, Cappucine was not able to finish the textures for a r...
