9963	My First Job	Quests	MMH	68-12671	CoreyCreation	2008-04-18	This is a very simple mod that adds an NPC to Seyda Neen named Ados Abass. Talk to Ados and he'll offer you a little job recovering Seyda Neen's local resources. This is a great mod for your new characters when they need a few more drakes to buy that steel cuirass they have their eye on. Ados Abass...
