9157	Swamp Rocks	Models and Textures	MMH	56-15619	CptJoker	2018-05-23	A highly-detailed rock replacement texture for the one rock used over 3000 times in the Bitter Coast region (and likely elsewhere.) Seriously, this one texture is everywhere, so might as well have a nice one! No bumpmaps or fancy schmancy stuff, should be performance-friendly at 1024x1024 or even...
