5990	Mechanized Minions	Companions	MMH	24-6229	Dinmenel	2009-04-25	It always struck me as odd that NPC's could learn to create/repair Dwemer Centurions, but the player's intellect was never considered sufficient. So now you can. Gain the favor of Baladas Demnevanni, through respect, labor, or flattery, and he will teach you the skills ne...
2385	Tel Sturdumz	Houses	MMH	44-14065	Dinmenel	2010-09-04	Enter a brand new Telvanni Stronghold unknown to the coasts of Azura, unscoured by the ashy winds of Molag Amur, free of the winds of blight. Enter a tower poised on the edges of Vvardenfell, a tower whose roots are lapped by the Inner Sea. Set yourself in opposition and counterbalance to Master ...
425	Arkngthunch-Sturdumz Expansion	Houses	MMH	44-11633	Dinmenel	2007-11-10	This mod adds two areas to the Dwemer ruin of Arkngthunch-Sturdumz; a tower and a domestic room. There is a good bit of shelving and storage available, and while it is still occupied by functional Animunculi, they will not respawn. This mod is designed to feel like a natural Dwemer ruin, yet have...
