10161	gMax Registration Workaround	Utilities	MMH	95-11670	JULIEN K/BIDI	2012-09-13	gMax was abandoned by AutoDesk on October 6, 2005. They also made it impossible to register new installations of gMax. This registry work-around contains files and instructions on bypassing the registration system, allowing new installations of the free gMax 1.2 tool. Install gMax 1.2 first, the...
