11001	Anti-Shock SFX Mod	Tweaks	MMH	90-8609	Jintao	2003-07-17	This mod's function is simple: it decreases the volume of certain sound effects, especially those in battle. I've found it very frustrating (and heart-stopping) to play a game and suddenly get hit and have the volume jump up 100 decibals on you. Updates fo...
