6591	Puzzle Halls	Dungeons	MMH	31-14187	JmLyan	2011-01-05	NOTE: I mistakenly uploaded the esp instead of the zip, but here's the zip file. This mod adds a dungeon with a twist connected to the smuggler cave near Seyda Neen. No monsters, only puzzling and hard thinking. If you beat it, you'll get a really nice reward.
