295	Aedric Armor Reborn v1.0	Armor	MMH	4-1229	Joel Braddock aka Mantodea, Lochnarus	2009-04-06	A modification by lochnarus This plugin adds Mantodea's excellent Aedric Armor set to the place known as Ald Redanyia, upon the altar, the same of which upon lays the Bittercup. Simply a mod to add the armor to the game, which the original did not.
