1359	House Complex	Houses	MMH	44-6207	Jonas aka Jonklai9779	2008-12-31	This mod adds houses in most major cities, and a couple minor. The houses themselves are cozy, with good storage and lighting. If you come across faults or want something for yourself, please email me at [url=mailto:Jonas.prc@gmail.com[/img]]Jonas.prc@gmail.com[/url] since I have nothing to do.
