5929	Dragon Companion v1.0	Companions	MMH	24-2522	Kagrenac aka Kagz aka Raven	2009-04-24	This Mod uses an edited version of Grumpys Wolf Companion Script. I have changed all Wolf references to now read Dragon. I have also edited out the part where you meet the wolf, as where you meet the dragon is different. Travel to the south bridge at Balmora and "Dormwog" will be waiti...
