10872	The Lady Melineas Saga v1.0	Weapons	MMH	98-5317	Kagz Armz	2009-05-12	This mod brings a new playable wood elf face and my collection of reworked Daedric weapons. I modified several of the existing weapons, by enlarging and adding other parts to them. I also made some new weapons in 3DS MAX. On the whole they are as powerful or just below the power, o...
