8788	Kefke's Hlaalu	Models and Textures	MMH	56-6329	Kefke_Wren	2009-11-18	Nothing too special. This is a pluginless replacer that changes the stock Hlaalu architecture to a marble-like stone. May seem a bit crude, but the effect is fairly nice. May be a good alternative for people who want to make Hlaalu look more prosperous, while still keeping a more subdued feel. I ...
3342	RAMF_Playable_Children	Races	MMH	70-6339	Kefke_Wren	2009-11-25	RAMF_Playable_Children makes the racial changes from "Races Are More Fun" available with teen characters from Emma's "Playable Children" mod. Now included is an optional esp that changes the names of elven races to their meric equivalents. Hopefully, this will appeal to a...
