5636	HurdyGurdy Clothes Scripts - Modders' Edition	Clothing	MMH	21-9003	KillerBeer	2003-12-15	This is a collection of upgraded scripts for various clothing mods that use different textures/meshes for different races. Its primary concern was to encourage other modders to use these wonderful clothes in their own mods (with due permissions, of course), but it also can be used a...
