Killgore's Home Furnishings, Re-Release	Stores and merchants	http://mw.modhistory.com/download-80-11219	Killgore Killack	2007-05-02 00:00:00	"This is a large store in Vivec that has furniture, plants, and toys. It also features such things as sitting NPCs and cups of water. There are also such things as magical swords, and finally your charactor can relieve himself with a functioning toilet. That and more in Killgore's Home Furnishing..."
killgore s home furnishings v1[1].1	Buildings	http://mw.modhistory.com/download-15-4705	Killgore Killack	2009-05-12 11:38:04	Hello Here is yet another display case. This one should match display case 4 pretty good. But anyhow. Textures are saved within the .nif files. 5 is the main nif, 5a is the "glass case". Lady E
