Kindbudz Races	Races	http://mw.modhistory.com/download-70-7824	KindBudz	2005-09-17 00:00:00	Race Revamp created for my own personal use. I removed useless Race abilities that I would never use and added Resistances/Weaknesses in as a balanced way as I could. I also tried to balance out the Male/Female differences of some of the races. ...
KB-Birthsigns	Birthsigns	http://mw.modhistory.com/download-8-10080	KindBudz	2005-09-17 00:00:00	Balanced Revamped and added new Birthsigns for my own personal use. Known Problems/Conflicts - No images for new Birthsigns - Probably conflicts with any mod that changes the base birthsigns. Version Info: 2.0 All birthsigns redone. Some change...
KindBudz Skillz	Miscellaneous	http://mw.modhistory.com/download-53-10126	KindBudz	2005-09-17 00:00:00	This mod changes the governing attribute of skills in the game for my own personal use. This mod does not change speed of increase of skills. In future versions it may if I feel it is necessary. 1.1 Changed Armorer back to strength from endurance in order to...
