378	Ancient Bronze Armor v1.1	Armor	MMH	4-15145	Kissimurra AKA Bajamaja = Hjalmar Mill	2014-01-08	This mod adds the Ancient Bronze armor to Vvardenfell. The Bronze armor is an armor made out of High quality Bronze and it has been magically enhanced for good protection. The armor was used by the Skyrim troops during the end of the Second Era. Somehow a Nord named Tandurr has come across a...
