Oakridge Ranch	Buildings	http://mw.modhistory.com/download-15-9515	Kromm	2004-04-19 00:00:00	This is a house mod I made, tailored to my own tastes. Its a fairly large ranch based in the Grazelands Region (11, 7) ; built in the Bloodmoon Nordic style buildings (Skaal Village for example). Living quarters consist of a large, main room, an alchem...
