2539	Thieves' Cave	Houses	MMH	44-9699	Kurith	2004-08-05	This is a house mod that could also be considered a smuggler's cave. It's essentially a cave dwelling that you need to take over. There isn't any loot, just decorative things. This mod isn't for the characters that need to live in Buckingham Palace, this is a mod for...
