| 11137 | Dark Brotherhood Armor Value Tweak | Tweaks | MMH | 90-10117 | LazyLoser | 2005-10-17 | Decreases the value of dark brotherhood armor to stop low level players from exploiting the ease of getting the money from the value of the armor. |
| 802 | Clean Cliffside Cave | Houses | MMH | 44-10210 | LazyLoser | 2005-11-02 | This mod adds a small cave home way above caius cosades house in Balmora. There is not much in it but it's good for a character who is just starting out and is doing the main quest. This is my first house mod so please leave feedback, good or bad. Enjoy! |
