| 9019 | Realistic Blood v1.0 | Models and Textures | MMH | 56-10419 | Leatherpoker | 2006-02-13 | <p>This is a simple texture replacement for the horrible blood "puff" in Morrowind. This new texture displays a more liquid looking blood, with droplets and splatters. It is more realistic and less overdone than the "Better Blood" retexture. Also, it is ideal for those who do not want the complexity...</p> |
| 8873 | MoonStar Crosshair v1.0 | Models and Textures | MMH | 56-10418 | Leatherpoker | 2006-02-13 | <p>This is a simple replacement for the boring default crosshair in Morrowind. This new crosshair is the golden "Moon and Star" symbol of the Nerevarine, which blends in well with the game's graphic and subject content. The crosshair comes in two sizes (large and small...</p> |
