Advanced Magicka Regen Plugin Hybrid	Cheats	http://mw.modhistory.com/download-18-9703	LennartSchultz12	2005-04-12 00:00:00	A plugin for all people who think that mages should get additional Magicka as they get health. The included ManaRegenPlugin is optional, if you consider Manaregeneration as Cheating. However I modified the regeneration Values so that they should still be balanced for High-Level char..
