2164	Sewer Hideout - Tribunal	Houses	MMH	44-8569	Leprekrut	2002-12-06	Adds a small place to stay in the sewers beneath the Great Bazaar in Mournhold. Somewhere off vicinity Palace Sewer, look for a hatch on the floor once you walk up out of the water. Just a nice small comfortable little place for your pc while you're in Mournhold.. –
