10026	Spriggan's Tear	Quests	MMH	68-7341	Marble Point	2012-08-27	Spriggan's Tear is a small scavenger hunt/quest mod that introduces Dongle's awesome druid staffs into the game. The quest can be completed in low levels if you can defeat a slaughterfish, a level 4 Dummer Rogue with decent equipment, and be able to travel halfway through Solst...
