8417	Black Void Sun (And Two Humorous Sun Replacers)	Models and Textures	MMH	56-6523	Mario_giesty	2010-08-12	This texture file simply replaces the existing sun in the game with a black sun, as well as two humorous sun replacers. Don't mistake it for the Black Sun glitch! The sun's much, much better looking in my option, and I just wanted something that catches your attention instead of that bland sun. &...
