9907	Hunter Modification v1.3	Quests	MMH	68-14801	Martin Bohnet aka Garak	2013-06-11	The Hunter Modification was my first plugin for Morrowind, which I mainly used to experiment with the scripting language and the possibilities of the engine. I also focused on seamless integration into the elder scrolls mythology. What's the plugin about? Several new rumor...
9906	Hunter Modification v1.01	Quests	MMH	68-7304	Martin Bohnet aka Garak	2012-08-24	Several new rumors spreading over parts of Vvardenfell will lead to adventures that will teach the player to use more parts of some game creatures to create new magic potions (9 new and 1 old ingredients in total) The quests vary in difficulty. You will find out about secret rituals ...
