12938	Dongle's Waterpack Bumpmapped with bonuses	Models and Textures	Fliggerty	*772	Matilija	2012-12-14	Dongle's original waterpack meshes edited with new textures, including bumpmaps. -also included is Tamriel Rebuilt's water meshes with the same bumpmap treatment as well as a few other water meshes from other popular mods such as Quarl's Underground, and Kortana's Solsthiem Castle.
9208	Temple Waterway v2.0	Models and Textures	MMH	56-15105	Matilija	2013-12-23	Purpose..... This is a very complex mod with a very simple purpose, to make the water flowing around the Vivec Temple look better when compared with MGE's phenomenal 3d water. Its a highly edited version of the stock ex_vivec_p_waterway_01 mesh, as well as a retexture of...
